Welcome to our streamlined class schedule. You will notice that we've simplified this printed schedule to save time and money. If you are interested in seeing a course description for any of these courses, please head to the Student Center and click on the class of interest to you. This allows you to see the course description and register all in one spot.

**For more information and to register:**

[www.employeegrowth.com](http://www.employeegrowth.com) and scroll down to Alliance LIVE!

Registration for a class ends about 7 days before the first day of class, so we will have enough time to send you a headset and books or other materials. **Software, books, and materials are included with the class at no charge to the participant.**

Sign up for classes in any time zone. Choose the time that best fits your schedule, but if you live in a different time zone than the one class is being offered in, remember to adjust the time to your location!
